SUMMER PROFESSIONAL LEARNING AT UMASS LOWELL SCTS ONE DAY INTENSIVE BOOTCAMPS

Join us for a one day, intensive, hands-on Summer Bootcamp designed to equip educators with the tools and strategies needed to work effectively in the classroom with students with disabilities. Whether you're new to the field of education or looking to refine your skills, SCTS Summer Bootcamps provide practical guidance paired with expert insights!

Why Attend?

-  Network with experienced educators and specialists.
-  Learn new skills and practical strategies for student success.
-  Earn 10 Professional Development hours for Bootcamp Attendance + Asynchronous Activities
-  1 Year SCTS Subscription with online access to valuable resources and templates.
-  Earn up to 20 Additional Professional Development Hours with Included SCTS Membership.

What You'll Learn:

-  What is specially designed instruction?
-  Data collection and progress monitoring.
-  Best practices for writing clear and measurable IEP goals.
-  Strategies for effective classroom accommodations and modifications.
-  Multi-tiered systems of support and universal design for learning.
-  Collaboration techniques for parents, teachers, and support staff.
-  Legal compliance updates and procedural safeguards.

Who Should Attend?

-  Special education teachers
-  General education teachers
-  School administrators
-  Paraprofessionals
-  Parents & advocates
